

Dimock Daily Report

Date: January 27, 2012 – 3:00 PM

FIELD ACTIVITY

Water Supply (Gerald Heston)

- Daily water deliveries continue.

Water Sampling (Gerald Heston)

- Eleven (11) homes will be sampled by COB today. Eight (8) of those 11 have denied access to PADEP and Cabot for split samples. No sampling activities are scheduled for this weekend.
- ERT and SERAS (contractor) arrived onsite and worked with the sample management team to improve the sampling process. The Site team has scheduled residential sampling appointments through the week of February 13, 2012.

Community Outreach (Helen Duteau)

- The Community Involvement Coordinator (CIC) has drafted a Frequently Asked Questions (FAQ) fact sheet which will be sent to the regional team to begin the review process. The CIC has drafted the faq for the Incident commander today. Upon approval, Helen will distribute to the the region for review and approval. It's planned that this will be completed over this weekend.
- Alex was on site today taking photographs of sampling activities. He will send photos to the region this weekend for review. CIC interactions with residents continue to go well during sampling activities.
- Media attention continues to be sporadic. No EPA interviews were given today but media continues to talk to local residents.
- Trish Taylor (CIC) received a voice message from a CNN producer regarding filming next week. At this time, Trish continues to follow up in an effort to make that connection.
- Both Trish and Alex Mandell (CIC) demobilized for the weekend.
- The communications team in the region continues to work with Incident Command to draft a communications strategy on how the sampling results will be released and communicated to the residents and public. The goal is to have this draft strategy completed by Monday, January 30, 2012.
